

2013 Beach Glass Festival

# Great Lakes

## BEACH GLASS FESTIVAL

Memorial Day Weekend ~ May 25th & 26th 2013

Relish Jewelers is pleased to present a great lakes beach glass and coastal arts festival!! The festival will be held at Erie's beautiful Bayfront Convention Center, Memorial Day weekend of 2013. The event will feature over 50 sea glass and coastal artists, a shard contest, live music, lectures and more. A total of 10% of admission fees will be donated to both a Veteran's Organization (in honor of Memorial Day) and to a regional coastal conservation effort. This event will take place in the Bayfront's 29,000 square foot Great Hall. There will be an artist's reception Saturday evening from 7-9 . (appetizers and cash bar) We hope you can join us!

We are striving to make this event 100% Green and Sustainable – and as such, please consider the source and collection practices for all shells, starfish, sand dollars, abalone, etc. – as these are fragile resources of our waterways. If used in large quantities in your art – please state on your application your collection practices and sources for such items. Thank you! Drift wood and sea stones are okay...as well as any reclaimed/recycled materials.
